

# Odfjell Technology Operations

# Odfjell Drilling and Odfjell Technology Group Structure

Established in 1973, Odfjell Drilling was the first Norwegian drilling contractor. Over the years, Odfjell Drilling evolved to include Well Services, Platform Drilling and Engineering in the group portfolio. In March 2022, Odfjell Drilling separated the mobile offshore drilling rig business from the other divisions and created a new company called Odfjell Technology.

# Odfjell Technology At a Glance

Part ownership in and strategic partner to Odfjell Oceanwind AS

Platform drilling, maintenance, modifications & upgrades

Projects & Engineering hubs in Norway, UK, Dubai and Manila

Serving the onshore sector as well as offshore

MODU expertise:

- Compliance Management

## What we do

### Drilling Operations

- Production Drilling
- Maintenance Management
- Well Control & Well Bay Operations

### Maintenance

- Planning & Execution
- Re-Classifications
- Modifications
- Engineering Support

### Jack-Up Management

- Rig Management & Crewing
- Compliance Assurance
- Marine Operations
- Maintenance & Modifications

### Modular Drilling Solutions

- Drilling Services
- Workover Services
- Plugging & Abandonment Services
- Jacking Solutions

### Plug & Abandonment

- Slot Recovery
- Permanent Plugging & Abandonment
- Suspension of Wells

# Our Vision

Using our heritage and expertise to support  
the energy transition

# Thank you for your attention!
